

Rector's Scholarship

New rules regarding submitting the Rector's Scholarship

Attention: The below given deadlines are final, and every applicant must obey them.

Rector's Scholarship

Starting from the winter semester 2024, applications for the Rector's scholarship are submitted in the **USOSweb system**.

The Rector's scholarship will be granted for a period of **5 months** regardless of course and degree.

According to § 22 point 7 Regulations on Benefits, within the period **from February 27, 2025 to March 05, 2025**, the student shall check and verify in the USOSweb system their grade average. It is available in USOS WEB PW/Student Section/ Rating (average) . The information about rating average will be published till February 26, 2025 the latest.

In case of lack of the grade average or incorrect calculation of the grade average, the student shall submit a request to provide or recalculate the grade average in the ranking for the Rector's scholarship, in the USOSweb system.

Check USOS WEB PW/Student's section/ podania ePW o weryfikację i przeliczenie średniej.

Students shall submit applications for the Rector's scholarship in USOSweb (see: USOSWeb/Dla wszystkich/Wnioski) in the period **from 08 to 14 March 2025**. (§ 22 point 7 Regulations on Benefits). The scholarship is awarded on a competitive basis. The lack of application in the defined deadlines will cause the decline of participation in the competition due to the formal reasons. (§ 22 point 1 Regulations on Benefits.)

From March 31, 2025 to April 04, 2025 at the request of a student for a correction of the number of points scored for academic, sports or artistic achievements, made in the USOSweb system, a correction is made of the number of points scored for academic, sports or artistic achievements. The correction only applies to obvious errors. **No correction of the grade average is possible within this period.**

Achievement points are awarded in accordance with **§25-27 of the Regulations on Benefits**.

Immediately after the deadline referred to in previous section , the student shall receive information on the award or no award of the Rector's scholarship. It is sent in the form of an *electronic administrative decision in the USOSweb system*.

The Rector's scholarship is granted to the number not higher than 8% of all students from each field of study run by basic organisational units of the University. (§ 22 point 5 Regulations on Benefits.)

ATTENTION:

1. Points for the Rector's scholarship for academic achievements, scientific achievements, sports achievement or artistic achievements can be acquired by a student who gained academic, or artistic achievements or succeeded in sports competitions on an international or national level in **two previous semesters**. In previous years of the competition for the Rector's scholarship, the achievements obtained in the previous academic year were taken into account. (§ 21 point 7 Regulations on Benefits.)
2. The student shall point out in the application **three best scientific achievements** with the highest number of points. (§ 22 point 1 Regulations on Benefits.)
