

First year Students. Sources of information

1. **Lecture or class presentations (please read them firstly with understanding).**
2. **Check all time the emails at University account (USOS).**
3. **Explanation of the "electronic" WUT.**

USOS (University Study-Oriented System): <https://usosweb.usos.pw.edu.pl/>

There are three electronic platform dedicated for remote learning:

Moodle integrated with USOS: <https://moodle.usos.pw.edu.pl/?lang=en>

MS TEAMS: <https://teams.microsoft.com/>

Faculty Moodle (eStudia: <https://estudia.meil.pw.edu.pl/>)

In the case of troubles in login please read carefully the instruction below:

1. **TEAMS platform (running modes: Windows program, mobile or web page browser)**

Downloading the MS TEAMS application

The application is downloaded from <https://teams.microsoft.com/>

Login

Logging in to the TEAMS application takes place using the email accounts of the Warsaw University of Technology in the "@pw.edu.pl" domain.

If you do not have access to this email account:

students - reset their password on the USOSweb website,

"FOR STUDENTS" tab -> OFFICE 365 -> password reset

2. **eStudia educational platform (Faculty Moodle: <https://estudia.meil.pw.edu.pl/login/>)**

In case of problems with logging in, resetting the password in the USOSweb service should help,

"FOR STUDENTS" -> OFFICE 365 -> password reset.

or

try another web browser (Chrome, Edge, FireFox).

Please remember that logging in to eStudia is the same as for OFFICE 365 (login and password)

and it differs from USOS.

4. **Ask your colleagues from the student's group (the most efficient way!).**

5. **Ask the Students' union:**

Facebook: <https://pl-pl.facebook.com/wrs.meil>

(They should conduct the TEAMS training soon! Please check today when it can be!)

6. **Ask Dean's Office:**

Mrs. Izabella Szulc: izabella.szulc@pw.edu.pl

Mrs. Monika Kośnik: monika.kosnik@pw.edu.pl

Mrs. Krystyna Różycka: krozycka@meil.pw.edu.pl
